Sir

From enquiries made in the Senior Surgeons office I learn that the cost of the Palace or Fort Dispensary is met from Palace Funds and not from Provincial Funds.

2 There is not a Hospital Assistant in the Fort Dispensary at present and Cavvamasawmy, who has applied for leave and during whose ~~on leave~~ absence ~~power~~ an Hospital Assistant is proposed to be appointed is only a Compounder. If in accordance with the sanction conveyed by H. H to the appointment of a third class Hospital Assistant one is detailed for duty in the Fort Dispensary no substitute need be appointed for Cavvamasawmy Chardos.

3. Even if the duty of the

Hospital Assistant is deletable
to the Palace Budget [illegible]
the sanction of Govt is
necessary for deputing a Govt
servant for work in the Palace.
Hence the necessity for the reference made

The letters referred to in para 2 of this reference were sent to the Resdt. Mysore Municipality for the opinion of the Board. The Board thereupon passed a Resolution agreeing to take over the Fort Dispensary and

and asked for leave to rent the building known as Munisamy Chetty's Bungalow for the use of the dispensary so that it may be easily accessible to residents of Nazarbad, Nazarbad, Fort & Narrana Mohalles. Orders thereon were deferred pending receipt of a report regarding the proposal made to open a separate dispensary at ~~Hinglaj~~ Nazarbad. The Resident in letter No 528 S 24.11.92 (File No 138) states that a new dispensary in Nazarbad is not necessary, if the transfer of the Fort Dispensary to the Municipality is sanctioned & it is located in a convenient place. Orders have now been issued :—

(1) conveying sanction to the transfer of the Fort Dispensary to the Municipality

(2) regarding the proposal to revise the establishment of that dispensary.

Obs. The Civil Surgeons letter sent to the Resident have not been returned. The papers now in the file do not show what the present establishment is & what the Senior Surgeon's proposals are).

In forwarding a copy of the letter No 2014 dated 7th March 1895 received from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore regarding the Dispensary and its Establishments maintained by the Palace, I have the honor to fully endorse the

the opinion expressed by him as regards the qualification and grade of the Hospital Assistant who is to be in charge of the Dispensary. The want of an experienced and compilable hand in charge of the Dispensary was often felt and especially so when the Assistant Surgeon was absent with the Royal Party on tour. Sir,

With reference to correspondence ending with Government Proceedings No. 15-7 of Camp Mysore 3rd October 1893, I have the honor to recommend that provision may be made for the Entertainment of a Pb or of a 2nd Class Hospital Assistant instead of having

always limited to a 3rd Class one as is the rule at present
2. The rule as it stands at present is an anachronism one as it is sometimes very difficult to promote an hospital assistants for the dispensary of sufficient experience and suitable in other respects.
3. The change is an important one and more especially so in the absence of the Palace Assistant Surgeon and I would wish to have a larger field to select an hospital assistant from than I have at present and it would be in the interest of the dispensary and of the inhabitants of the Fort which I should.
